

# PRACTICAL 10

## BATTLE OF THE SEXES

In this experiment you participate with another person. Your decision is to choose an action *A* or *B*. Depending on your choice and the choice of the other participant, you can earn different points.

### POINTS

**If you choose *A* and the other participant chooses *A*:**

- you get *10 points* and the other get *7 points*

**If you choose *A* and the other participant chooses *B*:**

- you get *0 points* and the other get *0 points*

**If you choose *B* and the other participant chooses *A*:**

- you get *0 points* and the other get *0 points*

**If you choose *B* and the other participant chooses *B*:**

- you get *7 points* and the other get *10 points*

### EXPERIMENT

Please choose the action you prefer: *A* or *B*
